

Now Available From Dan Crary and Thunderation Music! THE THUNDERSHOTS® FLATPICKING GUITAR SERIES

In these **ThunderShots Flatpicking Guitar Series** lessons, Dan Crary shows you how to move ahead in your playing by listening and practicing more efficiently and effectively.

In addition, Dan guides you through both beginner and advanced arrangements, suggests beautiful and powerful accompaniment ideas, and shows you how to create your own interesting and original variations.

We think we have found a way in which you can learn guitar techniques, songs, and tunes faster and more effectively, that *keeps on teaching you because it emphasizes how you can continue to teach yourself to play, while staying excited about your progress.*

A ThunderShots Flatpicking Series DVD includes:

- Complete Beginner & Advanced Versions of one tune
- Everything about this tune: arrangement, accompaniment, polished playing
- Ideas for beautiful, powerful accompaniment
- How to become a *real* player
- Interesting, original variations
- Learn without tab (complete tab and music notation included just in case)
- Approximately 30 minutes of focused instruction on each DVD
- All techniques apply to many other tunes

Currently available in three traditional titles:

Forked Deer
TM201 | \$19.95

Soldier's Joy
TM202 | \$19.95

Billy in the Low Ground
TM203 | \$19.95

Many more titles planned!

Upcoming: DVDs of some of Dan Crary's most often requested original tunes, and the ThunderShots Songwriting Series, with six lessons hosted by Steve Spurgin!
